A very unique home that has been tastefully remodeled throughout. Three finished levels with ample space for entertaining and family leisure. Gorgeous chef's kitchen with granite counters and stainless steel, high-end appliances. Three fully functioning wood-burning fireplaces. This home has two main floor bedrooms - one master-suite with full luxury bath and the second bedroom is currently being used as a library/office which can easily be converted back to a bedroom (re-install doors only). Finished lower level with huge Rec-room, separate laundry room and outside entrance. Fabulous outdoor living area, shed, and fenced yard. This home is sited on 1.13 acres on a beautifully landscaped corner lot with mature trees. Lovingly maintained both inside and out.

See list of all the improvements made to this home in the documents section.

Don't miss this one.
